“ I worked with Carla at Churchill Downs. I loved her from the moment I met her. So funny and nice. Always made me laugh with her stories. Her life was a open book. Everyone at work will miss her. Especially the customers. She definitely had a Fan Club. She is with her Son now Flying High. I'll miss you so much

“ My condolences go out to my friend Carla's family! I loved Carla and worked with her at the track! She was sooo sweet and always kind! She loved buying paparazzi jewelry from me and would light up with all the new rings she could choose from I had! I was shocked and saddened to hear we lost her but I know she's happy to be reunited with her son! I'm missing you already Carla!
