“ Worked with Norma several years at phone co. I was able to see her on her 80th birthday dinner with family at Longhorn's restaurant, so glad that was able to happen. Norma was a treasure to work with, always cheerful, always smiled, always had something pleasant to say...well, to me anyway. She had an infectious laugh. My most sincere condolences to her family, I know she will be missed forever.

“ Norma had a smile that would make all your grays go away. Larger than life personality, with a gracious, giving, accepting heart. I never saw Norma where she wasn't Impeccably dressed, perfectly groomed, with fabulous eyewear. The last time I saw her she was everything & more than I remembered.

Her laugh was infectious..contagious...

As a little girl I could NOT wait 'til Memorial Day because I knew I'd have two days of her company: Of all of her "ness" her vivacious, sweet, funny, colorful, Happy company. As an adult I looked forward to her perfectly penned Christmas card and the note she would write. Her last note.....just weeks ago, makes me grateful for knowing her. I loved Norma. Always have, Always will. My deepest sympathy to the entire Cissell family. Norma was one of a kind.
