“ Dear Bobbie,
I don't think there are any words for the loss of a child. I know your heart is broken and the sadness is overwhelming. You are a shining example of a devoted mother. I pray that God will comfort you today and always.

“ Aaron I'm sorry I wasn't able to stop in and visit. You were an amazing person. I remember the early years on the fire department.

“ I have no clue tonight as what I want to say that to you. I remember thinking when Neil died how difficult it would be for Aaron to understand what was happening. Through the years I have kept up with news of you and Aaron. Because of you, your love and guidance Aaron became the man any parent would be proud of. May God bless you keep you in his loving arms forevermore as He has with Aaron. Peace be with you. Connie

“ May all the memories of Aaron's laughter & the warmth of his smile carry his family & friends through this difficult time. Aaron was more than a friend to so many of us, he was our brother. Heaven gained an angel and the world lost a stand up guy. Forever in our hearts & always in our thoughts. Until we meet again, rest easy my friend.
