“ Oh, the memories I have ❤️ I think my favorite is grandma washing my hair. The water was always so warm, she'd tell me a story and was always so careful making sure no soap got in my eyes. I love all the ways she loved me! ❤️
I will also forever love her hot dog potato soup ❤️

“ I didn't know her but to her family Albert King I am so sorry for your loss. She had to be a wonderful woman to have such a kind and caring son like you.
