“ Aimee never met a stranger. She was one of the sweetest women I ever met. It did not matter if we had not seen each other for ever we would catch right back up when we ran into each other. My heart goes out to Chris and her children along with the entire family. She was a beautiful soul who I was so glad to have met. ❤️

“ *I am so sad to hear this news. Aimee and I played together as kids, our moms worked together. We would practice gymnastics on the furniture and get up to all kinds of fun trouble together. Even though it was 35 years ago, it feels like yesterday. My love to her family, mom, and kids who I have watched grow up on social media. Much love and sympathy, Chandra Czape Turner*

She was the best babysitter for my children, and a wonderful friend to me during my own trials and tribulations.
