“ Scotty was a long time friend to our family , always friendly and willing to help out in whatever wat he could. His generosity was often at he expense of himself but he will surely be rewarded in heaven. His love of baseball was always paramount and he will be deeply missed.

“ Scotty was a man who loved the youth of our area, took care of many, always there watching and cheering on their efforts. His loyalty and wisdom of the game transferred to whoever witnessed his life and heard his stories. My sons gained much from him....and I am sure countless others can say the same. He will be missed and remembered for all the good things he did throughout his life. Rest in Peace my friend.
