“ TO: The family of Al Bennett

Please accept my expression of sympathy on the passing of Rep. Bennett. Al was one of the strong supporters of establishing and building a campus in Southwest Jefferson County. I worked closely with Al and several other legislators and community citizens (including Pat and Gene Drago) to make the dream of a college campus for Southwest a reality! It was an honor to have known Al and to work with him. He always was honest and upstanding in his support for the college. In short, he was a real asset to the people of Kentucky and Jefferson County! The Bennett family should take PRIDE in him and his good work.

Sincerely,

*Ronald J. Horvath
