

Alex Jeffrey Judd

October 6, 2006 - August 9, 2021

ALEX JEFFREY JUDD, 14, passed away peacefully surrounded by family and friends on August 9, 2021.

He was born on October 6, 2006 in Louisville, Kentucky. Alex was the beloved son of Erica Judd, the most amazing brother to Jonathan and Lillie, and the very best friend to Tim Statts (Brittany).

He is sorrowfully missed by all who knew him, especially his Memaw Theresa, Papaw Dale and Grandma Suzy, Aunt Lindsey, Uncle Stephen, and cousin Colton, along with his extended family of Paw-Paw James and Grandma Kathy, Aunt Anna and Uncle Darrick, and his friends and wonderful caretakers at Home of the Innocents.

Alex loved listening to his “jams”, playing with and hearing his “fart gun”, and going as fast as he could in his wheelchair. He loved playing toss with balls or stuffed animals, playing his favorite hide-and-seek game “Where’s Alex?”, and causing good-natured mischief with those around him. He loved dressing up for Halloween, in various years dressing up as an army tank driver, a zombie, Marty McFly in the Back to the Future Delorean, Tigger, Darth Vader, Adam West’s Batman and Christian Bale’s Batman.

Most importantly, Alex loved everything life brought his way. He made the

most of every moment and shared his immeasurable joy within those moments with the world. He was the life of every gathering because every person who knew him thrived in his happiness, his energy, and his love. He demonstrated his love through his beautiful smile, his heart-felt belly laughs and his famous hugs and “squeezes”.

Visitation for family and friends will be from 2:00 pm to 8:00 pm on Friday, August 13, 2021, at Owen Funeral Home, 5317 Dixie Highway, 40216, and will continue at 9:00 am Saturday, August 14, 2021 at Owen Funeral Home. “ Alex was a loved member of the Churchill Park School family. His smile lit up a room and his giggle was contagious. We will remember Alex for his silly antics and his sweet hugs (with a side of hair pulling!) He will be missed and his impact will be felt by all who loved him.

“ *Alex was not my patient for long, just during a maternity leave of his usual therapist, but I'm so glad I had the opportunity to get to know him better. At first he was a little unsure because he knew I was gonna move his arms around and he fought me, and he was a strong guy! Gradually he knew I was going to massage on his back and that felt good, and he became more accepting of my visits. He would smile and laugh at funny noises and I would tell him jokes I had heard. He was a joy to be around, even when he gave those special "squeezes" you spoke of! I wish you and your family peace in knowing that he was well loved here at HOTI, and that he is now able to move as freely to the music as he wants to.*

“ Erica, it has been many, many years since I have even seen you, let alone laid eyes on little Alex... But, that didnt mean a thing to my heart.... Which instantly broke into a million pieces for you the second I saw Alex's name and age, it was literally an instant recognition in my brain as soon as I processed his name.

I can NOT imagine, nor would I wish this on my worst enemy, how you must be feeling... Because we all could just SEE the love you have for that boy... The endless hours of unconditional love, not to mention the full fledged advocacy you were constantly and consistently doing, on his behalf and on the behalf of all llkids who

The kids who also may benefit from the groundwork you laid out for Alex.
Keep solace in knowing that he is always right beside you, and that he can permanently wear and flash that smile of his while no longer having to endure any pain or discomfort.
