“ *The link said share a memory. Where do I begin. When she and Uncle Damon bought the house in Shively, KY, that house became the house of many family Christmas celebrations. We the grandchildren played in the basement while the all the adults sat upstairs and did adult things. She and Uncle Damon also let me and my brother come over and spend the night while we were visiting from Tennessee. I always felt welcome in your home, and I am so grateful to have had those times with Aunt Alma Rae.*

I will always miss the woman she was before she became ill. I am sad that because of these uncertain times I will not be there to say good bye.

Tony, Andy, and Denver please know I am thinking about you. You and your families are in my prayers.
