“ *Dear Frances:*

It was with great sadness when I read in the morning's Courier-Journal Obituaries that Al had passed away. I worked with Al at Naval Ordnance Station for many years. He and I worked on the constantly changing Station Presentation and also the annual exhibits at the Kentucky State Fair. I really liked Al and I am grateful for his recommendation for my promotion into the Station Resources Department. He was so energetic and resourceful in his job at NOSL. I am sure that everyone who knew him will miss him. He was an outstanding person to know and work with.

I am so sorry that I will be unable to visit with you at the funeral home tonight. This came on such a short notice that I cannot change my plans for this evening.

My sincere sympathy to you and your family and please know that my thoughts and prayers are with you.

Sincerely,

*Charles E. Bailey, Jr.
