“ *May peace, healing, and love fill your heart and the joy and happiness be in your memories..The Lord walks with us and times, He must carry us..Let him carry you now and take all of your pain and sadness away. We thank God for allowing us to be a part of Glen's family. He loved our mother and help to care for her, for that we loved him and by choice made him a part of our family. Our hearts were filled with love for him..He loved his family and became a good Christian father..He thanked the Lord over and over for his family when he said Grace around the dinner table..Our memories are good, he was a part of our family for over 14 years..Thank you for sharing him Mr. Triplett..Glen, till we are all united again. “ *God's Garden*

*God looked around his garden
And found an empty place,
He then looked down upon the earth
And saw your tired face.
He put his arms around you
And lifted you to rest.
God's garden must be beautiful
He always takes the best.
He knew that you were suffering
He knew you were in pain.
He knew that you would never
Get well on earth again.
He saw the road was getting rough
And the hills were hard to climb.
So he closed your weary eyelids
And whispered, 'Peace be Thine'.
It broke our hearts to lose you
But you didn't go alone,
For part of us went with you
The day God called you home.*

May you Rest in Peace now.
