“ I loved Alyssa right along with both of my kids. I cherish the memories of shopping for clothes - whether it was to get her first “sexy” bra at Victoria Secret or a last minute rush to find clothes for a choir concert. I enjoyed our talks over dinner - Cheesecake Factory was a fav. I loved listening to her sing at my house while we just hung out. Beautiful lady - I will miss you more than words can ever express. Your memory will live on & I know you have found the love, peace and rest that you so desperately needed. I love you Alyssa!
