“ Dear Mr. Humphrey,  
I was saddened to learn of the passing of your wife. I was a student of yours many, many years ago ('66) at BHS. You were an inspiration to me and to many! I later followed you into teaching, but at the elementary level. If there is anything that I can do to help you, please let me know. My husband and I are both retired educators, so we have some time on our hands when we are not running after our grandchildren. I am hoping that time will help you heal. May God bless you!

Sincerely,
