“ To Andy's family:

I have known Andy for many, many years. He and Gene Priddy and I did many things together in the late 40's and 50's. I have not seen Andy for many years. However, Lil Priddy kept me abreast on how Andy was doing. I have lost a dear friend, I know you all have lost a lot more. I am sorry I cannot make it to Louisville to pay my respects but he will always be a part of my life.
