“ We send our thoughts out to Uncle Andy's immediate family. He might not be with us physically but he was one of a kind and will always be with us in the stories that we tell. Not everyone leaves an impression like that. I like to think that he would want it that way, Andy, I know that you are in Heaven keeping an eye on Millie and also keeping everyone entertained. We sure could use a lot more good- hearted, jokesters on this Earth. You will be missed!
