“ I went to Ascension with Andy. When I moved into the neighborhood I was in 6th grade. Andy was one of my first friends. I remember sleeping in the camper in his back yard with all the boys and helping him with his paper route. He went to St.X and I went to Trinity and we lost touch over the years. I'm so sorry to hear this. My prayers got to his family. I'm truly sorry. He will be missed.
