“ Dad appreciated your call. He can't travel without Ron and Ron's work schedule unfortunately does not work out so that he can bring Dad to Kentucky. Dad wanted to call you but none of us have your phone number. Our thoughts are with you.

“ Steve, I don't have your phone number but I am so very sorry. You have had so much loss in your life. Karen told Dad this morning. I just found out after work and do not know if I have enough time to make arrangements to come. If I am not there in person, I promise you my heart is with you. LOVE, Sandy & Michelle
