“ *Bob and Family,
We were so sorry to hear about Ms. Ann. There are people who come into your life that make an impact and your beautiful wife impacted our family. Dave, the girls and I enjoyed the time we spent with you all sharing stories on the porch, boat and beach at the lake house.*

I am sending my love along to all of you during this tough time. Ann and Bob are so much a part of our OAK family and Ann will be greatly missed. Her humor, warm smile, willingness to share her time, and spreading the messages about ovarian cancer are only some of the reasons she will be missed. My thoughts and prayers are with you.*

“ Ann has touched our hearts each day that we spent with her. She was not only filled with sunshine and smiles but was an inspiration in her strength, faith in God, her love for friends and family but most of all expressed HOPE! I do believe there was NOT a negative bone in her body and you all were very blessed to have her.

I know a lost of a sibling is not the same as a parent but I would like you to know I understand the pain and emptiness and please if you need to chat or yell... Call me.

Bob... ALL men should take lessons from you....you were a pillar of strength and every day... hour...minute you showed your love and Ann knew that. You never complain but kept loving watch over her. I send you virtual hugs.

God bless you all... Love Renee Foulis

“ *Bob, Chris, Pat & Cindy,*

Our prayers and thoughts are with each of you. Ann was a great person and a courageous fighter. I know she is in a better place. As time goes by the feeling of her loss will be lifted and the good memories will out shine the bad. I hope Tab is with her and they are rejoicing together. I love you all.
