“ Ann was such a loving and caring person. When we would see each other, she always had a kind word. My thoughts and prayers go out to her children, grandchildren and great-grandchildren.

“ Kim, so sorry for the loss of your mom. Great memories of her and church and school days. Dad really thought a lot of her. She took great care of him when he'd come to school for fried chicken lunches after he retired. Our thoughts are with you and your family.

“ Dear Scott, Kim and family, your mom will be missed. She was a great and caring lady. She served her students proudly and loved her family dearly. She is now safe in Jesus's presence and at peace. She is also with your dad and making up for lost time while she was on this earth. She is at peace and watching out for her kids and grand kids. Nothing or nobody will dare to bother them as long as she is their guardian angel. Also she is having a Shively Heights Baptist family reunion. We will all be with her soon enough to enjoy that eternal wedding feast.
