“ *Sending prayers. Anna was such a sweet girl growing up. I'm glad I got to see her at our 40th high school reunion...it brought back so many memories that we both cried. RIP Anna 🙏 Cynthia Freibert Burunoff*

“ *I was Annas supervisor at UPS. Anna was a highlight to my day everyday. Her genuine kindness was second to none. Not to mention her ability to make everyone laugh. Almost everyday we spoke about the job and life itself as she cared beyond the job. Anna was my teams employee of the month for January and it was so well deserved. Anna was successful in her position always pushing herself to be better even when she doubted herself. She will be deeply missed. My condolences and prayers go to her family and friends.*

“ I was Anna's previous supervisor at UPS. She was always a delight to have on my team and brought laughter to everyone. I remember when the pandemic came and I told Anna that we were going to send everyone home to work remotely. She was so nervous that she wouldn't be able to do it... but she did and was very successful at her job. Sending prayers and condolences to the family. Mickey Sexton, UPS Brokerage Supervisor
