“ This breaks my heart!!! This man right here was such an amazing man. When he worked at the nursing home Briarwood, years ago. My mother Connie Scott worked there too. I remember he used to help her anytime she needed help. Even delivered appliances, one time to our home. I didn't see Brian for years, until he worked at St. Matthews nursing home. Even though it was years later. He always had that heartwarming smile and you just knew who he was. People there liked him too. He always was willing to help in whatever was asked from him. Thank you Brian for being such a good person. You'll be missed by so many!!!

We are shocked to hear of Brian's passing. He was such a wonderful person and amazing friend. I remember him helping any and everyone. When I had my baby shower at Briarwood he was there helping set up everything, and took all the gifts 🎁 to my car. Brian and my husband would go fishing 🎣. And we're in a couple of fishing tournaments together. He will never be forgotten. Such a caring man. RIP Brian. We all love ❤️ and will miss you.
