“ *My most sincere thoughts and prayers go out to the family and long list of close friends of Weaver. He was a business associate that was full of love of his life and his family. His friends loved him. He never knew a stranger. He was always a ray of light and had a laugh to share. He will be greatly missed.*

“ *Kim and all of Anthony's family,
I am so terribly sorry for the loss you are going through! My heart and prayers are with you all! Anthony was the sweetest young man I have ever known! I will treasure all the memories I have of him from Sue's, but especially the memories of him at my home with either DeSendra or Travis. My entire family is in shock that we had to lose such a precious friend at such an early age! I'm sure the sun will be shining much brighter with our sweet Anthony's smile in heaven! Please, let us know if we can help any of you through this devastating time.
All our love and prayers,
B.J. and family*
