“ I think everyone that knew Antoine would agree he was loved by all... he had something special that drew you to him. His care free, blunt, straight to the point and meant what he said personality is what he was most loved for. Really enjoyed all the visits we had as children with him visiting the country we always thought he was the coolest. The most recent visits to the country with his friend Russell was very much appreciated so glad we have those to hold onto. He will be missed very much and can only hope he knew exactly how much he truly meant to this family of ours.

💙 Forever in our Hearts💙

“ We thought he was the coolest cousin in the family. I remember all the family holidays at Grandmother and Granddaddy's when we all got to see each other. Jackie was younger than us other four (Sidney Ray, Rhonda, Antoine and myself Melissa) and missed out on all the trouble we seemed to get into when we got together. He had a wonderful smile and laugh. My funniest memory was the year that Antoine brought cherry bombs to Grandmother and Granddaddy's and us kids lit them and dropped them into the stone jugs sitting on the front porch (needless to say the jugs didn't survive and we barely did survive Grandmother). You are greatly loved and will be missed. So sorry for your loss Caitlyn, Brelynn and Shannon, you all are in our thoughts and prayers.
