“ Craig I will never forget all of the times you made me "CRACK UP" laughing. You always seemed to be joking and cutting up. I will FOREVER cherish our talks and your words of encouragement in my time of need. We may not understand now but we will understand it better by and by. Love ya my Buddy. Rhonda Moore-Scott

Craig and I were great friends at Wilkerson Elementary. We both shared "Craig" as a middle name. I still remember when the teacher would call roll for the first time and called us by our first names. He would laugh when my name was called and I would laugh when he was called "Arnold" We would sit next to each other in class which would only last about a week before we would need to be separated. I really treasured your friendship. Rest easy my good friend and thoughts and prayers to your family.
