“ When I first met Scott's mom and dad I knew that they were beautiful people. It didn't take me long at all to warm up to them. The kindness they showed me was heartfelt and genuine. After mom passed away they always invited me to Holidays at their place. That was very special to me. They welcomed me into their house and I always felt loved by them. When the girls were little I saw them more often when they were at your house. The girls called them mamaw and papaw and I did too. Audley was a faithful, honorable, funny, kind and loving man. I know Audley missed Sandra terribly and that they are once again together. This time for eternity. We are sorry for your all's loss, we know all of you will miss him. Praying for God's comfort and peace upon your hearts and minds. Our deepest sympathy of mine and Alison's LOVE. We love you all!

“ Sorry to hear this. I have great memories of hanging out in the basement with Scott and Dudley watching Groucho Marx. Uncle Audley was always a laid back and a great guy. Scott and Dudley, so sorry for your loss.
