“ Learned of Audreys passing last night when trying to locate her to visit. Was devastated. We woked together at VA and were housemates in the mid 70's. I loved her dearly and so wish I had tried to find her sooner.My regrets to Elouise and Doyle.

“ We were sorry to hear of Audrey's passing. She was a big help to my Mom, Helen, while she was recuperating at Aunt Frances from surgery. She was a good friend and a big help to Frances for many years.

We will remember her in our prayers.
