“ I was so sorry to hear of Andy's passing. He was the police chief when I began working at Shively City Hall. He was also the one who encouraged me to look into retiring last year. So glad I did and thanks to him, I'm now retired. I will be forever grateful to him.

“ I'm so sorry to hear of Andy's passing. He hired me as a very young man at Shively. Andy and Debbie taught me many things I have carried now through a 30 year law enforcement career. I'll cherish those memories.
