“ *Sheila and I are deeply saddened by the loss of a dear brother-in-law. Dave was a great husband and father to Judy and their family. He was a deeply Christian man and surely is with Judy again in heaven. Dave took great pride in caring for the home and a well groomed yard. I accused him of cutting his lawn with a pair of scissors. Hi vehicles were always immaculate. Farewell to a great brother-in-law.*

“ Dave was my neighbor and dear friend for almost 40 years. I am not a native Kentuckian but he and his wife, Judy, welcomed me, took me under their wing and were always there for me when I needed them. Dave and I had yardwork in common and shared many late nights working in our yards. They called me their adopted daughter and I am so grateful for their friendship over so many years. Dave had a big heart, a great laugh and shared his love for Greyhound Buses with anyone that would listen. We also enjoyed a lot of birthday celebrations through the years and created wonderful memories. Dave will be missed by everyone who knew and loved him. Until we meet again...sending much love and big hugs to our special guardian angel.

“ Dave was not just my brother-in-law, but a life long friend since our high school years. Did not see much of each other over the years because him and my sister Judy moved to Kentucky to live out their life. But when we would see him he was always a kind and gentlemanly person.
