“ Barbara was always so full of life and had such a sweet spirit every time we saw her at our Valley High School class reunions and get-togethers. She was so proud of her family, especially her children, grandchildren and great-grandchildren. She will truly be missed!

*A close neighbor and extend family .
Barbara faced the challenges of life with strength of strong faith and determination.
Our families shared a lot of history over the past 40 years .
Like everyone else going through the serious stages of life .
Barbara was very evolved in church , social and family activities.
I always admired her eye for details in Landscaping and remodeling projects .
In resent years I loved to see her light up with excitement . As she
Talked about the Fun Times she share with her dearest friend &
karaoke partner Raph Miller .
When Barbara faced with the bad news of failing health.
Barbara Found strength in her faith and detrimenation to continue with
Raph's help to enjoy her time singing karaoke and closing with Vince
Gill 's
Go rest on that Mountain.
Classy way to end a full life surrounded by family & friends to the end .*
