“ So so sad to see our beautiful Barbara leaving this world. It was a better place when she was in it, and will be a lonlier one without her. Barbara was one of the most wonderful ladies I ever had the good fortune to know. I loved our time working together, and our time car-pooling from my house to the office and back when the weather was bad. My prayers are with you, David, and your family. You have all lost a miracle in your lives.
