“ *I remember your Mom coming with you to the U of L games and tailgating with us, She always waved at me at the U of L basketball games. You and your family are in our thoughts and prayers. Our boys grew up together and you know we are here for you. I remember I picked Alex up after an afternoon with Andrew at Grandma Barbara's and all he could talk about was how much fun it was because she made the hot dogs and snacks and had a supply of videos for the boys.*

“ Our deepest sympathy is extended to each of you. We are shocked as I am sure each of you are by your loss. The lake community has lost one of it's greatest members. We will not be able to attend the visitation but want you to know you have been in our thoughts and prayers since we heard the news and will continue to be in the days to come.
