So sorry for your loss. Haven't talk to my cousin in a while. She was a nice lady. I was so shocked to see her obituary. May she rest in peace.

“ Barbara was such a beautiful person, inside and out. We met when we were 10 years old in Girl Scouts. We had such great times. We lost touch since we went to different high schools but saw each other again when she started dating Bobby who lived right down the street from my best friend Elaine. After a while we all started going to Elaine and Donnie's house who had a swimming pool and that's where I got to meet Lisa and Brian and we all had wonderful summer's there. I will surely miss running into Barbara at Cracker Barrel. We had so many laughs. Love her always. We will meet again when God brings us together.

“ Barbara Sue, on my first visit to Kentucky with Larry and my mom you were one of the first people to sit and talk with me at Aunt Linda's Derby Party. I was so nervous around people I didn't know and your warm smile and laugh made talking to you and opening up easier. I know I never got to tell you this but I always thought very fondly of you and I LOVED AUNT ADDIE AND UNCLE GENE!! I'm so glad they were there and Larry and Uncle Kelley were there to welcome you to your heavenly home!!

“ I will never forget what a wonderful grandmother Mrs. Ramirez was, and how kind she was to me. When I had each of her grandchildren in my class, she was so supportive of their education & always so kind about attending our class' field trips. She was so kind & helpful with all of the children in those classes. It was always such a joy to have her with us.

“ Barbara and I grew up in the same house. Her Mom and Dad were like my second parents. My Dad and I lived in the basement. I was always included in their adventures. Laura, Barbara and I may have not been blood relatives, but we were still sisters ❤️❤️❤️
