“ Steve, so very sorry to see the news about your Wife. In case you don't remember me, I was one of the 2 pharmacists at Rite Aid where you used to get many of your meds. I'm sure you've heard from many people that you don't remember, but just wanted you to know, that both you & Barb were so very nice & it was painful to me to read about her death--I know it must be nearly un-bearable for you. I've recently retired and wanted to stop by but I'm sure there were too many people to deal with & I would just add to the many that came. I'm sure that with your determination and Barb's invisible support, you will be able to make it through this crisis..patrick
