January 3, 1966 - January 16, 2025

It is with deep sadness that we announce the passing of Becky Podhorsky, beloved mother, grandmother, and friend. Becky passed away peacefully, surrounded by her family and loved ones, on January 16th, 2025. Becky leaves behind her devoted sons, Donnie and Mark, who were the heart of her life, as well as her faithful companions, Ziggy, and Luna who brought her endless joy. A woman of remarkable strength and kindness, Becky was known for her ability to connect with everyone she met. She excelled in her work, forming lasting relationships with customers and colleagues alike, always going above and beyond to help others. Whether she was lending a hand to someone in need or offering a listening ear, Becky's warmth and generosity were felt by all. Her love for dogs was a defining part of her life, and she found comfort and joy in the company of her furry friends. Becky's caring nature extended not only to people but to all creatures she encountered. Becky's memory will live on in the countless lives she touched through her kindness, compassion, and tireless efforts to make the world a better place.

In lieu of flowers, donations may be made to your local animal shelter to help those animals find their forever home.
