“ My heart breaks for you. I can't imagine losing a child or grandchild and especially in this way. We have never met but we are cousins. My Daddy was William Cecil Coldiron son of Annie Clem Coldiron daughter of Cull Clem. Take comfort from our Heavenly Father. I pray Father God wraps His tender, loving comforting arms around you and carries you through these difficult days. You will be in my prayers and thoughts.

“ I don't know your family but just want to say how deeply sorry I am for your loss because of this senseless crime. I am a 9-11 rescue worker and losing any child at a scene has always been hard on me so I can't even imagine your pain. We may be strangers but you have my families support in anything we can do to help during this difficult time. I know words can change very little so just know god has one extra sweet little angel at his side tonight and someday we will all be together again. Try and take a little comfort in that. We will be praying for you all please try and take care and god bless.

“ I can't imagine the pain your family are dealing with. My heart is heavy and I only wish I could make this pain go away. I can only pray that God will ease your pain and comfort each one of you during this. Paula, I send my prayer and I am thinking of you and if you ever need me, I am here. I can't explain why this happen, but I do know God is here for everyone of you.
