We are very sorry to hear about Becky's passing. She was a member of our team for over 20 years and we grew to care for her very much. “ Please accept my condolences on the passing of a very wonderful lady who worked for Jefferson Community College for many years. Becky was an asset to the college; but she was more than that! She enjoyed working with students and faculty or with any visitor to the campus. Becky always had a kind word for me, which I truly appreciated! I regret that my wife and I are unable to attend her funeral on Wednesday. We will be in Virginia visiting one of my aunts and several of my cousins. But my thoughts will be for Becky and for her family. Ronald J. Horvath, President Emeritus, JCC!

“ Dear Mike, Becky, Lisa and Richard, Our thoughts and prayers are with you all. Bessie was such a good and fun lady. We certainly will miss her and her phone calls during the Basketball season when her beloved University of Kentucky team beat our MSU Spartans. She had such a spark and a twinkle in her eye...we know that she is creating quite a lot of fun in heaven...with love, Julie and Jeff Burton
