“ *Betsy and Stuart Bugg were our neighbors and church friends. Their daughters Tammy and Tonoya were our playmates and I have many lovely memories of badminton and other backyard games all through the '60s since my sister and I were the same age as the Bugg girls more or less. Grateful for the hospitality, love and care extended to us by the Bugg family, particularly Betsy. A child's playtime career consists of many hours of play over a period of years and I know we had excellent gatekeepers in this lovely family. She was the epitome of fun, always laughing and talking, and forever opening the door. I know she is attending heaven's best Derby party now and reunited with her sweethearts. Her memory will be a blessing. Janet Pinkston*
