“ Jackie, you and I have shared a lot over the past 27 years. Working with you at Six Sigma, helping you with words of wisdom when you had you Cancer and several other things. I am so sorry to hear about your Mother. She is with your Father and others that have left this world to be in Heaven with our God. Be thankful that she no longer has to suffer. My thoughts, prayers and love are with you. Know that I am always here if you need to talk. I fell last week and broke my ankle and will be in a boot cast for 6 weeks. When the time is right give me a call and we can catch up on things. Hope your health is improving. Love, Shirley Quakenbush
