“ I remember Betty as the most loving and joyful of women. She was like a 2nd Mom to us King children and the trekking between the King household and the Sandmann household was daily for both families and the doors were always open...no knocking needed! I am so sorry for your loss, but joyful that she is at peace with Jesus, your Dad, and my Mom. I am sure it will be a wonderful reunion. Love you guys.

“ It broke my heart to hear the sad news of your Mom's passing. She was like a second Mom to me while I was growing up. I remember spending the night with Kenny and having a blast and the next morning your Mom would have the Best breakfast ready for everybody. She was very kind and very generous to everyone that knew her. I am so sorry for your loss but I know she is in the very presence of Jesus! I'll be Praying for your family that God will comfort you through this difficult time!
Love You All!

“ I didn't know Betty very long, but it didnt take a minute to learn she was a kind, loving woman, and she let let me call her "Mom". My heart breaks for all of you at the loss of your mom. Nothing else feels quite the same as the love shared with our mothers, and she was one of the best. I pray for God's comfort to be with you.

“ This news breaks my heart. I kept telling myself that I needed to stop by and say hi! Now it's too late. When i was a little girl, Betty was the one person who let me spend the night at her home. Jacquie was my best friend! I will always remember the caramel popcorn balls she made for her children's friends on Halloween! I know you're happy to be wih Benji, but I also know my mom is happy to see you! Betty, rest in peace. I love you!
