

Betty May Powell

June 10, 1925 - January 19, 2023

On Friday, January 20, 2023, Betty May Powell, a beloved mother, and grandmother, passed away. Born on June 10, 1925, she was 97. Betty loved the Lord and spent several decades in Bible study and fellowship at her home church, Valley View. She cherished countless memories with her friends and adored her loving family. She loved spending time on the lake, was no stranger to baiting a hook, and enjoyed all aspects of camp life. Betty had the best laugh, always made you feel welcome and wanted, could play a fierce game of 'hand-and-foot', and loved others with complete genuineness. She never met a stranger, and her home was always your home.

Betty's proudest accomplishments were her five children, John (Doris), Terry (Somjit), Denise, Janene (David), and Jim (Pam). She loved each dearly and claimed each of their spouses as her own. While the family is saddened by the loss of this beautiful woman, it is the sweetest realization to know she lived a long and full life and is now standing in the arms of her Lord and Savior. Betty is survived by her five children and their families, including her 14 grandchildren, 24 great-grandchildren, and 2 great-great-grandchildren. She was preceded in death by her husband, James Powell, and son-in-law, John Cinnamon.

A viewing will be held at Owen Funeral Home (5317 Dixie Hwy, 40216) on Wednesday, January 25 from 2-8 pm and again on Thursday, January 26 from 9-11 am. Funeral services will follow Thursday morning at 11 am. In lieu of flowers, donations may be made in Betty's memory to Cornerstone

Community Church (10600 Lower River Road, Louisville, KY 40272).

“ *Betty Powell was one of the finest women I've known. When we were growing up she always made me feel so welcome at their home. I especially remember always looking forward to making my way to the Powell's home around Christmas because it was so much fun to be around such a great family. My favorite picture with her is from Austin's wedding in 2018 because she just lit up when she saw me and we connected so well that day. I loved her like my own mother and will miss her very much.*
