“ Wow!

I just found out Carolyn passed away today!! (May 18, 2011) I always considered her a friend, even though we fell out of touch over the years. I'm going to miss the opportunity to talk to you again in this lifetime, but I'll catch ya on the Other Side!!

If anyone knows what happened to take Carolyn so soon, please email me and let me know.

Thank-you! My condolences to her friends and family!! God Bless.
