“ Ms. Sparks was a fun Mom full of love and laughter for her daughter Cathy’s friends which included me. I was a frequent and welcome visitor in the Sparks household. They were fantastic people and parents. She will be greatly missed and fondly remembered.

“ Betty & Bill Sparks were wonderful across the street neighbors for all of my years growing up. Betty was a close and dear friend to my mother, Norma Taylor, for even more years. She was a wonderful, caring person, who was a light in the life of many, especially my mother and family. My condolences to the family on the lost of a great lady.

“ Jeff - I am so sorry for your loss. Even though I only got to know your mom this past year, I know what a sweet, special lady she was. I will miss our chats on Sundays. Prayers for you and your family.

“ *Jeff and family,
So very sorry for your loss. Not sure I was ever introduced to your
mom but she sounds just as wonderful and kind as your dad.
In time, may beautiful memories replace your heartbreak of today.
