“ *Sorry to have missed visitation for Betty. Previous Church commitment prevented it. Betty was a lady in every sense of the word. She was cheerful, supportive, and had a kind word for everyone here at Highlands Court. She will be missed, but we are happy that she no longer suffers and is at peace.*

“ Today I received a phone call no one wants to get, my best friend passed away. I met Betty about 10 years ago at work. We hit it off and had a lot in common. We became friends and later BFF. We shared good times and bad times and confided in each other as only friends know how. We shared stories of our grandchildren who we thought were the best. I felt as I knew her grandchildren and she felt she knew mine. The past few years with health problems we stayed in contact by phone. Oh how I will miss those calls. So I when I pick up the phone and dial your number I sure hope it gets forwarded to heaven Because I know that is where you will be. I remember our last phone call on Derby Day You were so happy winning on Josh's horse (as you called) and I was teasing you about gambling in the rehab place. Thanks for the good memories and the good times we shared. You were one great lady and I was proud to call you my BFF. I will miss you forever and will never forget you. Until we meet again Rest In Peace My BFF
