“ After meeting Mrs. Betty approximately 2 years ago as she was moving into an apartment just down the hall from our family member at a Southern Indiana Assisted Living Facility we came to love her, came to appreciate her kindness, be amazed at her prowess around a pool table, marvel at her kindness to strangers, value her hugs, and share in many times of prayer with/for her. Such a sweet lady, our lives have been blessed as a result of knowing her. May you "hit the corner pocket" in your Heavenly Home of eternal rest and joy, you are loved our dearest Betty.
