“ Cheryl and family, I am saddened to hear of the passing of Beverly. Being close friends with Traci in our younger years, she was like a second Mom to me. Over the last summers she would come out and visit with me while I was doing lawn work. I got a kick out of her sitting in the grass with her leggs crossed and picking at the grass as we talked. She always had a big heart and I know she is at peace now. Thinking of you all and if there is anything I can do, just let me know. Sincerly and with Love, Sherry and Greg
