“ He will be missed by all who knew him. He found humor in everything and was always smiling. I remember him most for buying me a pair of skates when I was young and how generous he was about including me in family trips like when he rented a camper and travel to different places in ky.

“ My prayers for the family. If I had one word to describe Uncle Bill it would be "kind". He was a very sweet man and always a joy to be around. Praise God for his long impactful life on his family.
