“ Gran you will be soooo missed but we love you so very much. There is not a day goes by we don't share a loving memory. We love you with all our hearts. Thanks for everything you did for us but most of all thanks for the laughs and the loving stories you would share. I will always miss hearing you say "It's June 27th, Wanda make that cake, it's her birthday." The kids miss the tractor rides you gave and we will miss you riding your John Deer down in the summer just to say hi. We won't say goodbye but we will say we love you. Hugs and kisses and a nice rub on the head. Until we meet again.

“ God Bless all. I am so sad to hear of Mr Wellers passing so late. Even more so of Daryl's. I grew up with Daryl as my best friend. I remember Mr Weller so well and was always so nice. In time we grow so far apart and lose touch. I am so sorry. But people who were as wonderful as Mr Weller will be remembered forever.
