“ Grandma always had a white coconut cake at family dinners. It was the best. She told me she got the recipe from a lady at church. This was several years ago now. She was gonna try and find me the recipe but I never did get it. Sure wish I had it now.

“ Sending my love and prayers to the family of Aunt Blanche. She was a beautiful, sweet person inside and out. She was a blessing to all who knew her. She was dearly loved by all of her family and many others and will be missed.

“ I haven't seen my aunt in years, but the childhood memories are there. My mom Wanda (Lou) as most family called her was there for her over the last few years! Staying up to 3 days and nights a week prior to having to move her to the nursing home. Then the virus hit and no visitations was allowed 😞 she is so grateful for their relationship and time together. May she now be rejoicing with Uncle Teddy!
