“ Bobby, It was truly a blessing to have known you. I'm thankful for all the memories. Throughout it all you were always respectful. I'll miss joking around with you, but now I'm forever grateful for those times. I know it goes without saying, but thank you for being a wonderful papaw to Karson as he will always carry you in his heart, and may he grow up to be half the man you were. He loves you so much. This earth lost a truly great man, but heaven gained a beloved soul. God give peace and strength for the Choate family.

“ Bobby, I can't believe you are gone. It will not be the same going up to visit Darlene without you. You 2 were my 2nd set of parents. You guys spoiled me rotten, took care of me the 6 months I was there, and Bobby made sure I had White Castle.... We had so many laughs there. Guess you are up there with that "Cackling Hen" Aunt Helen & the other Tarter girls. I love you & will miss you & I'm going to see Darlene to make sure she is ok.

Love you Cuz,
Janie

“ Uncle Bobby, You always knew how to make us laugh and always were tough on us because you knew our true potential. No matter how big you made it you were always willing to share your wealth with others. My favorite movie is still the Delta Force and I remember the time you jumped out of the car and tried scaring us with your mask and who can forget the trips to Florida and The Choate's introducing us to Denny's every morning, or Derby and free parking. A lot of great memories. You may be gone on this earth but your spirit and legacy will live on through your wife, children, and grandchildren. There are a lot of great childhood memories. You no longer have to suffer on this earth and are at peace. I'll pray for strength and peace in the days, weeks, and months ahead for Aunt Darlene, Misty, Joe, Erick, Kevin and all your grandchildren for they lost a great man!! Love your niece, Laura and great niece, Kirstynn.
