“*Brad was the best brother-in-law that I could have asked to have had. He was always there when I needed help with anything. He helped me when my sons were ill and in the hospital, he let my dog out when I couldn't get home to do it myself, he installed cabinets in my kitchen, he helped me with car repairs/problems, minor plumbing problems and many more items. He will be missed by everyone and I am hoping that he is finally resting in peace with no more pain.*
